

Weddings & Events

at Little Gate Farm

Our beautiful farm and woodland could be the perfect venue for your celebration. We offer an enchanting blank canvas for those wanting to add their own style to a wedding or party. We welcome weddings and other celebrations, catering from 40 to 150 guests. Whether it's a posh picnic, an afternoon tea with Pimm's and prosecco or a festival style party with food trucks, live music and camping; we have the perfect location to make your wedding or party truly magical and unique.

The Barn

Our gorgeous rustic barn features exposed beams and natural lighting, creating a romantic and inviting atmosphere. The barn is open to the front and looks out onto a luscious green field, surrounded by beautiful countryside for you and your guests to enjoy the fresh air and picturesque views.

To make the most of our stunning location, an open capri marquee with flooring and lighting is supplied for you, so that you and your guests feel totally enveloped by nature. If the weather isn't kind, the barn area is protected by a green and clear roof and the sides of the marquee can be attached, so your celebrations can continue uninterrupted.

Mezzanine

The mezzanine area of the barn offers additional covered space for photo opportunities, a photo booth or simply for your guests to relax.

Our dedicated Wedding & Events Co-ordinator is on hand to support you with the planning of your special day. We have lists of recommended suppliers and work closely with several event caterers and catering vans who are experienced in providing fabulous food. Or, if you are adventurous, you can cater yourselves.

We have an outdoor finishing kitchen located next to the barn that can be hired for an additional fee.
